

## **【Humble request concerning power interruption accompanying legal Inspection of electric household electrical appliances】**

Temporary power outage is going to held in nighttime to carry out the statutory annual inspection of private electrical work products. At the following time, power outage of the whole building will be bothering you, but we appreciate your understanding and cooperation.

Additionally, we will endeavor to encourage our employees for sufficient preparation. Guest's safety is our top priority and pay full attention for your safe and comfortable stay.

**Power outage date: 20<sup>th</sup> March, 2019 (Wednesday) 3am ~5am.**

The temporary light is installed in the room. Tap water and toilet water can be used, but the bath and shower may temporarily get out of hot water, or the temperature may fall.

Thank you for your understanding.
